

Hydromel Cricle Bar

Our fully front-lit circular bar makes for a stunning centrepiece at any venue and will add some glamour to your party. It can be set up as a full circle or a semi-circle if floor space is limited.

Capacity: 120 semi circle, 500 guests full circle

Dimensions: 4.2m diameter, requires 5m diameter floor space

Features: white frosted panels, comes with white lights as standard but red, yellow or blue tube lighting available.

Full Circle bar

Example of the full circle bar at a wedding. Here in the centre of a yurt, makes a great focal point and adds glamour to any event. Serves up to 500 guests.

Semi circle bar

Semi-circle bar on Election Night 2010 at Whitehall. Served 100 politicians and members of the press easily and look fabulous against the back wall.
