

Hydromel Stainless Steel Section Bars

Our stainless steel section bars come in various sizes. They are flexible to use and are perfect when space is limited. Comes with white frontage as standard but can be branded with bespoke printed panels.

Capacity: from 10 guests up to 250 guests

Dimensions: 4x 2m sections, 2x 1.6m sections and 2x corner pieces

Brandable: yes, prices starting from £55 per panel.

A single section

Example of a branded single session bar. Space for 1-2 bartenders, serves up to 50 guests, ideal for birthdays and small office parties

Two bar sections

Example of a double section bar with bespoke panels to match the wallpaper. Allows for 3-4 bartenders, serves 120 guests. Perfect for press launches and drinks receptions.

Horse shoe shaped

Example of a horse-shoe shaped bar using two large sections at the front and two smaller sections to the sides with corner pieces. Fits 5 bartenders and serves up to 200 guests. Here shown with bespoke panels to match the 1920's wedding theme.
